Adding an e-Tutoring Link to a Page in your course

To add a link to e-Tutoring follow these steps:

1. Login to the Canvas course you want to add the link to.
2. Using the left-hand navigation, select Pages.

3. If you have already created the page you wish to add a link to, click Edit this Page. If not you will need to Create a New Page.
4. In the Rich Text Editor, you will see the text you have entered. Highlight the section of text that you want made into a link.

To connect to WSU’s e-tutoring site, please follow this link.
5. With the text highlighted, click the chain-link icon.

To connect to WSU's e-tutoring site, please follow this link.

6. A window will appear. In the given field, type or paste the URL and click Insert Link. *(The URL for e-Tutoring is https://www.etutoring.org/login.cfm?institutionid=291.)*

You can also find this link by going to the weber home page (weber.edu) and clicking on "T" in the A-Z index. You'll see a link there to "Tutoring, eTutoring."

7. Remember to save your changes.

8. The link text will be blue and it will be underlined when you hover the cursor over it. You now have a link to the e-Tutoring site!
